Work Proposal

Project: 109 East 9th Street, Manhattan, NY 10003

Provide labor and necessary tools for work associated with the construction of temporary shoring walls on three levels: cellar, first floor, and second floor. The work will be performed under the supervision of a licensed professional engineer, as stated in the emergency work orders FEU10301PN and FEU10302PN.

A construction permit is not required, as per the Department of Buildings. Materials will be billed separately or may be purchased directly by the building owner.

Check price: \$4,500 or **Cash price: \$3,750**

Proposal

Job Address: 109 East 9th Street, Manhattan, NY 10003

The proposed scope of work includes cleanup, removal of old furniture, and the creation of non-structural exploratory openings in vacant units 4A, 4C, 3A, 3B, 2A, 2B, and 1A. The work is expected to be completed in one day, during regular working hours from 9:00 AM to 5:00 PM.

The price includes the removal and disposal of all debris, as well as the provision of labor and all necessary tools. Upon completion, all affected areas will be thoroughly cleaned.

No plumbing, electrical, or structural work is included in the scope of this proposal.

Check price: \$3,500

Cash price: \$3,000
